Change at the Australian Motorcycle Council

As many of you would already be aware, there has been a change to the makeup of the Australian Motorcycle Council, Executive Committee.

Late last year our Chairman Guy Stanford contacted me with some bad news regarding his health. He advised me that he would be forced to stand down as Chairman of the AMC so that he could concentrate all his energy on his health and recovery.

On behalf of the AMC Committee, I would like to thank Guy for his truly amazing hard work and dedication and for the professional way he has always conducted himself in the execution of his duties over many years whilst an executive member and supporter of the AMC. I think we all owe Guy a huge amount of gratitude for his work; we would not have many actions and issues resolved without his dedication and knowledge.

The AMC Executive Committee have since held a meeting to discuss the appointment of a chairman as a casual vacancy. It was decided that we would maintain the status quo with the current AMC Executive Committee and that David Wright, as Vice Chairman, would assume the position as Acting Chairman until the 2020 AGM when nominations will be called for the position of Chairman of the AMC for the ensuing year.
